

UFO DATA INTERNATIONAL

UFO CONFERENCE 25th - 26th OCTOBER 2008

UFO DATA Magazine are pleased to announce their 2008 International UFO Conference. The venue is the same as last year where we enjoyed what was described as the best UK Conference in years and described by some as the re-birth of British Ufology. The success was down to you our loyal readers and supporters.

The Parkside offers ample room, refreshments and free parking for the weeked events and along with our regular speaker presentations there will be a sellers area in the spacious conservatory (anyone wanting a stall please contact us via conf@ufodata.co.uk so we can address your requirements.) We have also arranged a fun night for Saturday 25th where a fine buffett will be served along with entertainment and dancing plus a chance to get to meet our speakers socially.

Our line up of speakers is a varied selection with guests from Turkey, Italy and across the United Kingdom. Researchers, witnesses and abductees all feature in this years event including a retired RAF Squadron Leader who will talk openly about an event that hap-pened to during his service.

Conference prices have not changed for more years than we care to remember but due to increases in travel expenditure etc we have had to incurr a small increase on last years event, we are sure you understand.

To guarantee your place at this exciting weekend we urge you to book early and to use the booking form below. Payment by way of cheque or Postal order please to UFODATA PO BOX 280, LEEDS, LS26 1AN. there will be a card payment service available on the website or you can use your Paypal account by sending a payment to pay@ufodata.co.uk. Please be sure to include your name and address details if paying online. We do not take card payments over the phone, our web service is secure.

Travel and a selection of hotels can be found on our website www.ufodata.co.uk by following the conference links.

We look forward to your company once again...
